

Panhandle Independent Living Center
Your Key to Independence

FOR IMMEDIATE RELEASE

THURSDAY SEPTEMBER 29th 2016

Eat Wings, Raise Funds! Panhandle Independent Living Center's TAKE OVER NIGHT at Buffalo Wild Wings!

Panhandle Independent Living Center is hosting a Take Over Night at the Coulter St Buffalo Wild Wings on Wednesday October 5th from 6pm to 10pm. 10% of ALL FOOD Sales will be donated to the organization.

Panhandle Independent Living Center is a nonprofit organization that offers services and programs to men, women, youth and children, all of whom have a broad spectrum of disabilities – ranging from physical, mental, and emotional. All in which to help them live more productive and independent lives within the family, home, and community.

The purpose of the fundraiser is to assist people, our clients, with disabilities in ways that would help them remain independent within their lives, homes, and communities. Our grant funding does not allow us to provide certain accommodations to our clients, especially individual needs that our clients may have – such as installing a ramp at their home to accommodate for wheelchair access; therefore, we have regular fundraisers to help meet these needs.

We would like to extend a warm welcome to the entire Amarillo Community to come out to Coulter St Buffalo Wild Wings on Wednesday Oct 5th from 6pm – 10pm and to support Panhandle Independent Living Center by simply eating great food!
