YES iCAN

Our Transition Programs are Growing! YES (Youth Encountering Success), our 10wk long summer program, just celebrated its 14th year and had 18 graduates! Also, we've recently partnered with a few of the local high schools and are starting a brand new transition program called iCAN (Continuing Adulthood Navigation). The iCAN program is specifically designed for young adults, 17/18yrs – 22yrs old. This program will teach them the skills they need to live independently, once they graduate high school and move onto the next chapter in life!
